

Mahyar Mohammadifard, MD - Curriculum Vitae

Personal Information Name: Mahyar Mohammadifard, MD

Current Position: Full Professor of Radiology Institution: Birjand University

of Medical Sciences, Birjand, Iran

Hospital Affiliation: Imam Reza Educational Hospital Email: mahyar.mohammadifard@yahoo.com

Citizenship: Iranian Date of Birth: 1976 Google Scholar Metrics (2025): Citations = 782 | h-index = 15 | i10-index = 19

Education

- Fellowship in Interventional Radiology, Tehran University of Medical Sciences
- Specialty in Diagnostic Radiology, Birjand University of Medical Sciences
- Doctor of Medicine (MD), Tehran University of Medical Sciences

Academic Appointments

- Full Professor of Radiology, Birjand University of Medical Sciences (Current)
- Associate Professor of Radiology
- Assistant Professor of Radiology
- Consultant Radiologist, Imam Reza Educational Hospital
- Faculty Member, School of Medicine, Birjand University of Medical Sciences

Fellowship and Specialized Training

- Fellowship in Interventional Radiology, Tehran University of Medical Sciences
 - _ European Diploma of neuroradiology (ESNR)2018

Focus: Minimally invasive vascular and oncologic interventions, image-guided

Procedures

Research Interests

- Interventional radiology and vascular interventions
- Neuroradiology
- Image-guided oncologic therapies
- Advanced MRI and CT imaging techniques
- Women's interventional procedures
- Minimally invasive therapies in peripheral vascular diseases

Selected Publications

1. Focal Cerebral Arteriopathy in a COVID-19 Pediatric Patient – Radiology, 2020
2. Decoding clinical biomarker space of COVID-19 – Computers in Biology and Medicine, 2022
3. Marshall and Rotterdam CT Scores in Predicting Early Deaths after Brain Trauma – European Journal of Translational Myology, 2018
4. Transarterial Chemoembolization (TACE) for Hepatocellular Carcinoma: A Review – Journal of Family Medicine and Primary Care, 2021
5. Birjand Longitudinal Aging Study (BLAS): Protocol and Design – Journal of Diabetes & Metabolic Disorders, 2020

Conferences and Presentations

- Invited speaker at national and international radiology congresses
- Member of scientific and organizing committees
- Presenter of original research in vascular and interventional radiology

Awards and Honors

- Outstanding Researcher Award, Birjand University of Medical Sciences (2020)
- Excellence in Teaching Award, School of Medicine (2018)
- Recognition for Contributions, Iranian Board of Radiology

Professional Memberships

- Iranian Board of Radiology
- Iranian Society of Radiology
- European Society of Radiology (ESR)
- European Society of Neuroradiology (ESNR)
- Cardiovascular and Interventional Radiological Society of Europe (CIRSE)

Teaching and Mentorship

- Supervisor for radiology residents and interventional radiology fellows
- Lecturer in diagnostic neuroradiology and vascular imaging
- Contributor to curriculum design

- Languages: Persian (native), English (fluent)
